

Maintenance Mechanic (2nd Shift)

Taconic, a highly successful global manufacturing company, is seeking a self-motivated, responsible individual to work as a Maintenance Mechanic in our Maintenance department.

As a Maintenance Mechanic, you are responsible for keeping production machines, tools, equipment, and utility systems in operation.

Requirements:

- Associate's degree in mechanical maintenance or related, or four years of equivalent experience troubleshooting and repairing industrial equipment.
- Ability to determine causes of operating errors and develop appropriate resolution.
- Experience with hydraulics and pneumatics
- Knowledge of machines and tools, including power and hand tools is required.
- Must have a valid driver's license.
- Good interpersonal skills and the ability to prioritize based on changing work conditions.

Salary range \$52,000 - \$58,240 per year.

We offer a competitive benefits package including medical, dental, vision and life insurance, a competitive compensation and retirement package, tuition assistance, vacation, a business casual work environment and more!

For immediate consideration please email resume to hr@4taconic.com, call 518-658-3202 ext.368, or apply in person to:
